

## 2025 CAPABILITY STATEMENT

### COMPANY OVERVIEW

ROBINSON CONSULTING & LOGISTICS LLC is a Virginia based consulting and logistics company supporting government and commercial clients with reliable, mission driven services. The company specializes in the acquisition, coordination, and transportation of government goods and services, combined with IT consulting expertise in cloud solutions, artificial intelligence, network administration, and cybersecurity. With more than 30 years of IT experience and 20 years of U.S. Navy service, the firm brings proven operational discipline, strategic planning, and attention to detail to every project. Robinson Consulting & Logistics is committed to delivering integrated solutions on time, with a strong focus on reliability, accountability, and seamless execution.

NAICS CODES

### CORE COMPETENCIES

**Logistics Coordination and Transportation Support**

Acquisition planning, coordination, and transportation of government goods and services with an emphasis on accuracy, timeliness, and mission continuity.

**Systems and Network Advisory**

Guidance on network design, administration, and security practices to support reliable and secure government IT operations.

**Mission Focused Operational Support**

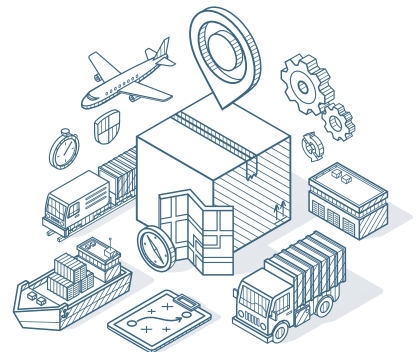

Disciplined, process driven support shaped by 20 years of U.S. Navy service, ensuring dependable execution, accountability, and alignment with agency objectives.

**IT Consulting and Advisory Services**

Strategic IT consulting focused on cloud technologies, artificial intelligence, network administration, and security to support operational efficiency and decision making.

**Government Logistics Planning and Integration**

End to end logistics support informed by real world operational experience, including planning, scheduling, and execution within government environments.
